

# Ideation Report Template

## Let The World Know Your Voice

### Introduction

Anyone can become a writer, a poet. This site is the place where your stories will be made known by everyone.

### Expected List of Features

The site will most likely include the following features:

- **Homepage** with a presentation of the website, with links to the main areas.
- **Personal Area** where you can enter and manage your personal information, view personal stories and statistics
- **Creation Area** where you can insert your stories.
- **Most famous** where you can read some famous works. It will have to be categorized for the various type. You can rent or buy to get ebook.
- **Explore the world** where you can read other's stories. It will have to be categorized for the various types of stories and there will be a possibility to include feedbacks. For example, report, give emotions on the stories or comment them.
- **FAQ** where you can ask and see some Helpful Answers to Common Questions also the rules of this site.

### Market Survey

- I find some similar website. The most similar ones are [Wattpad](#) and [Vnkings](#). There are some similar website such as: [Vnfiction](#), [Gác sách](#), [Zing Blog](#)
- However both of them are only have the stories made by amateurs. I want my website is a combination of all the famous works and all the works of the amateurs.

### References

I think it will be pretty fine to build a site which is a combination of [TikiEBook](#) and [Wattpad](#)
